HELP UNIVERSITY ACCOMMODATION

FOR STUDENTS AT SUBANG 2 CAMPUS

www.hostelpro.com.my

HP VILLA

HP Villa is a double-storey semi-detached house with spacious interiors and an outdoor area big enough to do your own gardening. The driveway can easily accommodate up to four cars. Inside the house are around eight bedrooms ranging from single to twin- and triple-sharing. The 24-hour McDonald's® is located just five minutes' walk away. Also within walking distance are restaurants, cafes, clinics and other shops. To get to campus, you can either take a 15-minute walk or hop aboard the free university shuttle van which runs on a regular basis.

Triple Sharing Room (attached bath) RM550

ATRIA RESIDENCE

Atria Residence is a low-density single apartment block with excellent environment. The stand-alone apartment is breezy most of the time without tall buildings surrounding the area. Security within the premises is strict to ensure the safety of residents. Convenience shops, restaurants and cafes are just a few minutes walk away, including the 24-hour McDonald's®. To get to campus, you can take the free university shuttle van which runs on a regular basis.

SUBANG RESIDENCES

Subang Residences is a three-storey link house within a gated and guarded community. Many students find Subang Residences spacious and comfortable as most of the rooms come with en-suite bathrooms. The main selling point of Subang Residences is its close proximity to the many Chinese restaurants and shops within easy walking distance. To get to campus which is located around one kilometre away, students can take the complimentary university shuttle van or the public bus.
